

## ***Blisland Community Shop and Café celebrate their training achievements***

Staff at Blisland Community Shop and Café are delighted to have achieved NVQ Certificates in Customer Service and Skills for Life Training.

They were encouraged by Blisland Community Association and Cornwall Rural Community Council (CRCC) to undertake the training delivered by Allan Clare of AWC Training as part of CRCC's Capacity Building Works Project, funded by the European Social Fund.

In March 2006, Blisland Community Association celebrated with the village, the opening of a £573,000 multi-use community facility that includes a post office, village shop, GP consulting room, access to computers and three small business units. This has become a central hub for the village and is used widely by its community.

Arthur Ludgate, a member of Blisland Community Association, congratulated the staff who took part in the training and said,

"I am delighted with the extra effort that has been put in to gain these certificates and I also want to thank CRCC and its Social Inclusion team for their tremendous support".

Any voluntary or community group interested in hearing more about similar opportunities are welcome to contact CRCC's Social Inclusion team on 01726 821945 or email: [diane.taylor@cornwallrcc.org.uk](mailto:diane.taylor@cornwallrcc.org.uk)
